Active Confirmation Form
Ford Federal Direct Parent Loan for Undergraduate Students (PLUS)

Directions
A master promissory note (MPN) for Ford Federal Direct Parent Loan for Undergraduate Students (PLUS) will be required. This allows one parent to complete a PLUS MPN when borrowing the first Direct PLUS loan that, in most cases, covers all subsequent PLUS loans for up to 10 years. However, before loan funds may be disbursed, the parent borrower is required to confirm and accept the amount of the loan debt incurred by completing and signing an Active Confirmation Form for each PLUS loan.

The same parent borrower who completed (or is going to complete) the MPN must complete, sign, and return this Active Confirmation Form to the Office of Financial Aid. PLUS loan funds will be disbursed directly to the designated University student account for payment of on-campus tuition, fees, and other charges only after the signed form has been received by the Office of Financial Aid.
