PETITION TO REINSTATE FINANCIAL AID ELIGIBILITY

For students who have received a bachelor’s degree

The Office of Financial Aid and Scholarships has received your July 1, 2024–June 30, 2025 Free Application for Federal Student Aid (FAFSA) results. You indicated that you have received a bachelor’s degree and plan to be enrolled as an undergraduate student in academic year 2024–2025.

To be eligible for federal student loans, you must be admitted to and enrolled at least half-time in an eligible undergraduate or graduate degree program or licensure program. You may be eligible for federal student loans for one 12-consecutive-month period, with half-time or greater enrollment status, if you are required to complete prerequisite course work for admission to a graduate, or professional program at any accredited college or university. Only required credits will be accepted for the payment of financial aid. Students who are enrolled at less-than-half-time status and meet these petition requirements may need to complete this form in order to borrow from private education loan programs that lend to less-than-half-time students. If you are adding another major to a bachelor’s degree you have already received from the University of Minnesota, you are not eligible for financial aid.
