UNIVERSITY OF MINNESOTA

TRANSFER CREDITS BETWEEN GRADUATE AND PROFESSIONAL CAREER LEVELS

Use this form to transfer University of Minnesota coursework between graduate and professional career levels. (Professional includes Medical, Dental, Pharmacy, Law, and Veterinary Medicine.)

Requirements for transferring credits to another career level:
- Credits may not be used twice, except in the case of Regents approved joint/dual programs
- Classes must be completed and graded
- Student must already be admitted in the target career

DIRECTIONS

When you fill out this form, indicate the program to which you want the credits applied. The advisor must approve that the credits to be transferred are eligible to be used toward a graduate degree.
Note: The individual classes you request to transfer will not be moved. The credits will appear under "Transfer Credits" on the target level transcript.
